President & CEO
Timothy R. Baack

Dear Friend,

Like many communities across our country, Milwaukee experienced a tragic amount of violence this past year. The trauma youth experience while living in such an environment makes your investment even more important, and your support helps us provide the safe and nurturing environment our youth and families need to heal and succeed. It is this trauma-informed approach that guides how we work with each and every young person at Pathfinders, which in turn ensures a stronger, safer, and healthier community for all of us.

In 2015, we had a record-breaking year of new financial supporters, and our fundraising events and donor campaigns throughout the year were highly successful thanks to you. We would like to send a special *thank you* to those community members who took on the incredible task of organizing their own fundraising events that benefited the youth and families served by Pathfinders. The power of community has been an ever-present theme throughout this past year, and everyone's collective impact resulted in one of the most successful years in our 46-year history.

Thank you for being that all-important caring adult who makes such a difference in the lives of our community's most vulnerable young people. Your continued support remains crucial as we continue our mission of **Empowering Youth and Changing Lives!**

Sincerely,

Timothy R. Baack

THANK YOU!

Pathfinders would like to thank the hundreds of individuals and local businesses that have so generously donated items to our annual events, "Taking it to the Streets" and "Faces of the Future", as well as your support of our "inKind Donation Program" throughout the year. A full list of supporters can be found on our website.
