

POSITION ANNOUNCEMENT

Date of Notice: April 4, 2025
Name of Position: Supported Housing TIC Therapist
Respond to: Pathfinders
4200 North Holton St, Suite 400
Milwaukee, WI 53212

Closing Date: When filled
Status: Full-Time
Contact: hr@pathfindersmke.org

Job Purpose and Reporting Structure:

Under the supervision of the Director, provides Trauma Informed assessments; non-traditional individual, group, and family counseling; staff technical assistance and development throughout Pathfinders

Essential Duties and Responsibilities:

- Interview and assess clients between the ages of 11-25 years of age who have experienced trauma. Also address related problems such as personal and family adjustments, housing, school, and physical and mental impairments, using assessment tools to determine nature and degree of problem. Secure information, such as medical, psychological, and social factors contributing to client's situation and evaluate these and the client's capacities.
- Counsel clients individually, in family, at home site, and in therapeutic groups regarding trauma. Develop treatment goals for meeting client's needs and help client to modify attitudes and patterns of behavior. Review treatment goals and revise as needed to determine quantity and quality of service provided to client.
- Provide team case management, crisis intervention, and advocacy services, including service coordination as necessary. Refer clients to community resources and other organizations, as appropriate.
- Provide technical assistance and leadership on Trauma Informed Care including assessments, case consultation, and staff training.
- Compile records and prepare reports, including case files and correspondence with client and other mental health and social service providers involved. Develop, maintain, and submit necessary reports for program evaluation and statistical compilation. Records must be compliant with all program requirements as well as HIPAA.
- Participate in outreach speaking engagements and development opportunities. Attend program and agency staff meetings as required.
- Other duties may be assigned.

Supervisory Responsibilities:

Supervise social work/psychology/etc. graduate students as necessary

Qualification Requirements:

Requires a Master's degree in social work, educational psychology, or psychology, and two years' experience working with families or youth. Must possess advanced knowledge of the impact of trauma and substance use on youth and their families. Must possess working knowledge of family dynamics and have the ability to conduct family counseling sessions.
